OVERVIEW

PURPOSE AND MISSION

Vision: Empowering students to live a Christian driven life while always seeking and pursuing the things of God through living a supernatural lifestyle.

Mission: At Dayspring Christian School, we believe each child is designed on purpose for a purpose. We strive to partner with God, parents, and students to train the whole mind, body, and soul as we help equip them for their God given destiny. We believe no two paths are the same and strive to meet the individual needs of each student through a hands-on, inquiry-based learning approach. Dayspring Christian School supports and strives to empower students to achieve every dream God has put in their hearts. We believe in encouraging children to serve a big God that delivers big results. We cultivate an atmosphere that is individualized, flexible and positive. The goal of Dayspring Christian School is to produce Christ-centered students that pursue a supernatural lifestyle with the goal of taking their passions into the world and making a global impact for Christ.

PHILOSOPHY OF EDUCATION

God has commanded His church to provide the education and preparation needed to fulfill His plan for creation. The public school system was created to provide education separate from the church to train children's minds, but unable to train their spirits. At our school we desire to restore God's original intent - to train children both mentally and spiritually so that they may be able to fulfill their destinies in Christ.

As a school, we are committed to creating and maintaining an atmosphere filled with the presence and teachings of Jesus Christ. Our goal is not to shelter students

from any evil influences, but to expose children to the higher standard that Christ calls us to live in the midst of the world's standards.

Our emphasis on high academic standards is important, but our goal is not just to train students academically. We want to train the whole person so that our graduates are capable of excelling not only at whatever job they set their minds to do in life, but also as citizens of God's Kingdom by living for Him, loving others, and displaying the power of His Kingdom within the jobs that they hold.

MANAGEMENT STATEMENT

Dayspring Christian School is an educational institution, which is supported and managed by an administrative team under the guidance of the school board of directors.

TEACHER SELECTION

All teachers and staff at Dayspring Christian School have gone through an extensive interview process and background check. All DCS staff have been carefully and prayerfully considered.

STATEMENT OF FAITH

The activities of Dayspring Christian School shall always be based upon and be consistent with the following beliefs:

1. The Bible is the mind of Christ and is the inspired, only infallible and authoritative Word of God. (2 Tim. 1:13; 3:16-17; 2 Pet. 1:20, 21; Ps. 119:105, 160)
2. There is one God manifested in three personalities: Father, Son, and Holy Spirit. God is the creator and ruler of the universe. (Gen. 1:1, 26, 27; 3:22; Ps. 90:2; Matt. 28:19; 1 Pet. 1:2; 2 Cor. 13:14)

3. The fall of man and his lost state makes a necessary rebirth through confession and belief in the Lord Jesus Christ.
4. The reconciliation of man to God by the substitutionary death and shed blood of our Lord Jesus Christ.
5. The present supernatural ministry of the Holy Spirit among believers on the earth since the day of Pentecost and continuing until our Lord's return. The Holy Spirit brings conviction, salvation, sanctification, and empowering for the believer and for Christ's church. (Is. 9:6; Matt. 1:22-23; 7:21-23; Luke 6:36; John 1:1-15; 14:10-30, 16:7-13, 17; Heb. 4:14-15; 1 Cor. 2:12, 3:16, 15:3-4; 2 Cor. 3:17; Rom. 1:3, 4, 5:1, 7:23; Acts 1:8-11; 1 Tim. 6:14-15; Eph. 2:8-9; Gal. 3:26; Titus 2:13; 3:5)
6. Baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus.
7. The Lord's Supper is a symbolic act of obedience whereby believers, through partaking of the bread and the fruit of the vine, memorialize the death of Jesus and anticipate His Second Coming. (Matt. 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; 20:7; Rom. 6:3-5; 1 Cor. 10:16, 21; 11:23-29; Col. 2:12)

ADMISSIONS POLICIES

PROCEDURE FOR ADMISSION

Arrange for a School Tour and Family Interview: Call 417-869-6095 or email dayspringschool2004@gmail.com to arrange for a school tour and family interview. The family interview is required for all prospective middle school and high school students and

families. Prospective elementary students will not need to complete a family interview unless there are behavioral, academic, or medical concerns. We look for students who have a strong desire to attend the school and pursue God, and for families who are supportive of their child's education and willing to reinforce the spiritual education their child is receiving at school in the home environment.

Application: Enrollment applications are available online at our website - www.dayspringchristianschool.net.

Entrance Tests: If there are academic concerns for a child, if the child has an IEP, or if there is uncertainty over which grade the child should be placed in then placement testing will be required. Parents should contact the school for scheduling these tests (417-869-6095) or email dayspringschool2004@gmail.com.

Acceptance: Following a review of all the required admission procedures, parents will be notified concerning their child's acceptance.

Enrollment Fee: A non-refundable enrollment fee is charged per student. Enrollment fees cover the costs of administration, handbook, placement tests, and achievement tests. It also secures your child a place for the upcoming school year. Please see our financial information for the fee amounts, and any discounts available for families with multiple students.

Tuition: Monthly tuition must be paid on a 10-month schedule. Tuition is due on the 15th of each month. Our financial informational lists the tuition amounts per child.

Material Fee: An activity fee is charged each year to cover supplies for science labs, art classes, and other student needs throughout the year. This is due to be paid in full the first day of the school year.

Book Fee: Book fees vary depending on the grade of the student. Our book fee is due to be paid in full by the first day of the school year.

Technology Fee: This fee is only applicable for secondary students for the use and maintenance of the school chromebooks, laptops, and computers.

9. Dayspring Christian School does not discriminate on the basis of race, color, gender, national or ethnic origin in its educational policies, programs, admissions, or financial aid.

FINANCIAL POLICIES

TUITION AND FINANCIAL COMMITMENT

A financial commitment is required of all parents. The Dayspring Finance Director oversees all finances, and any question shall be directed to them. An invoice of each parent's account is mailed as a payment reminder. Tuition payments are due by the 15th of each month. Tuition is paid on a 10-month schedule. Enrollment and

book fees must be paid in full by the first day of school. Failure to pay books and tuition fees by the end of December may result in the student not being re-enrolled for the spring semester. Students may not be re-enrolled for the new school year unless all outstanding balances have been met. End of year grade reports and transcripts will not be released unless all tuition and school debts are paid.

We ask parents to sign a Financial Commitment form outlining the tuition rate and enrollment fees; including registration, book costs, material fee, and lab fee, if applicable. If commitment payments cannot be made on time, parents must contact the financial director. For a list of current tuition and fees, please see the school brochure or speak with the financial director.

ATTENDANCE POLICIES

ATTENDANCE REQUIREMENTS

Attendance in school is extremely important. Please make every effort to have your child in school every day on time. If a student is absent, a phone call or an email should be made to the school office by 9:00 am.

Excessive Absences: Parents should notify the office each day a student is absent and give the reason for the absence. Students are not permitted to miss more than 9 days of school per semester or 18 days for the entire school year. A student that exceeds the maximum number of days absent could result in retention of that class or grade. We ask that you contact the school office and not communicate directly with the teacher regarding tardiness or absences.

Tardiness: A student is tardy to school if he/she is not in the class by 8:30 a.m. **If your child is tardy, a parent must sign them into the office and a tardy slip will be given.** Pupils, who are frequently tardy, whether at the beginning of the day or to classes during the day, may be subject to disciplinary measures. After 3 days, an email will go home each time indicating how many tardy's your child has

accrued, and which disciplinary action will take place. If your child is tardy more than 9 times in a semester, a failing grade of that class may be the result.

Any Student absent due to Covid-19 will fall under a “No Harm” Grading Policy.

Excused vs. Unexcused Absences and Tardies: Excused absences and tardies are those that both the school and the parent/guardian approve. Absence/Tardy because of illness or appointments which cannot be made outside the school day may be excused if a parent calls requesting this absence be excused. Missouri State law allows school personnel to request medical verification of a child’s condition when absences are due to alleged illness or medical condition. The school must be notified by phone or written note the day of or day before the absence. The school has the right to accept or deny an application for an excused absence.

Examples of Excused Absences/Tardies:

- Sickness
- Doctor’s visit
- Religious holiday
- Extreme family emergencies (i.e. death in the family, hospitalization of family member, house fire, etc.)

Examples of Unexcused Absences/Tardies:

- | | |
|--|--|
| <ul style="list-style-type: none">● Transportation problems● Oversleeping● Personal reasons● Staying home to babysit● Work or rest because of work
● Lost track of time | <ul style="list-style-type: none">● Needed at home● Keeping a lonely parent/guardian company● Travel not previously approved by the Director● Lack of required immunizations● Absences in which the student failed to provide documentation that would establish a valid reason for absence● Leaving the school at any time without notifying the main office |
|--|--|

- Talking to another student
- Any absence the Administrator feels would be clearly detrimental to the continued education of the student

When a student is not meeting the 95% attendance requirement, all of the following may happen:

- The student may be required to attend detention to make up an absence.
- The student may be required to complete hours/detention before or after school to make up attendance.
- The student will not be allowed to participate in activities including: dances, Field Day, concerts, events, graduation ceremony, and other extra-curriculars.
- The student may be reported to the state for truancy
- The family could be fined up to \$500

ARRIVAL AND DISMISSAL PROCEDURES

Morning arrival for all students must be no earlier than 7:30 A.M. The school cannot be held responsible for students who are on campus prior to 7:30 A.M. Students will be monitored in a designated area until 8:30 A.M. Before school, students should move to the sidewalk area and stay out of the parking lot.

Elementary students are dismissed at 2:45 and secondary students are dismissed at 2:50. Parents should be prompt and pick up students at the appropriate times.

Students waiting for a ride will be required to wait in a designated area. Students should not be roaming the buildings or the outside area. Pick up for middle school and high school students is at the south side of the South building. Elementary students will be dismissed to their cars through the North entrance of the North building. At 3:00 P.M. students not picked up yet will be taken to the main office for pickup. No student should be left in the building past 3:10 P.M.

EARLY DEPARTURE FROM SCHOOL

Departure from school during school hours must be cleared through the school office. Students must be signed out by a parent. For students who drive themselves or in cases where another adult is picking up the student early, a parent must call the school office to allow early departure. Early departures before 11:00 a.m. will count as absences for the school day.

WEATHER POLICY & SCHOOL CLOSING

School Cancellations Due to Weather

Dayspring Christian School stays open and scheduled as much as possible.

However, there are times when weather conditions cause us to cancel school for the safety of our families and students. We do not make that decision lightly because we understand canceling school can create difficulties for families.

A decision team composed of individuals representing transportation and other school facilities evaluate relevant factors and review all the information to make the final decision as early as possible. This decision includes different factors including the safety of road conditions, school closures in surrounding areas, and the National Weather Forecast. The final decision is made, and notifications are sent out to all families who will receive a school email, a post on Dayspring Christian School Facebook page is posted, and Dayspring Christian School will be listed on KY3 and the other local news channels under “School Closures”. Elementary families will also receive a text, email, or Remind notification, whichever is relevant from their teachers.

Early Release Due to Weather

If inclement weather affects our school day and an early release is scheduled, we follow the same communication process for school cancellation. When the decision is made, we immediately send a school email to notify all families so everyone's able to make it safely to school and back home in a timely manner. Elementary families are also sent a text/email from their teachers, and Secondary students are allowed to call/text parents. If early release is scheduled students will need to be picked up by 12:00pm. OTC students will be transported to OTC if it is safe to do so.

WINTER APPAREL

During winter months please dress your child appropriately for the weather. Students who do not bring a coat to school may not get to participate in outdoor recess as the temperature allows.

SICKNESS GUIDELINES

Please do not send your students to school in the following circumstances:

1. Student has had (or currently has) a fever of 100° F or more within the last 24 hours.
2. Student has thrown up twice in the past 24 hours.
3. Student has had diarrhea twice within the past 24 hours.
4. Student has colored mucus in sinuses.
5. Student has head lice, ringworm, or pink eye.

Students displaying any symptoms of Covid-19 or have a temperature of 99 or above will be sent home immediately and be required to be seen and evaluated for Covid-19. The school retains the right to request a negative Covid test to return to school.

| ● Fever & Chills | ● Fatigue | ● Nausea or vomiting |
| ● Cough | ● Muscle or body aches | ● Sore throat |
| ● Diarrhea | ● Headache | ● Shortness of breath |
| ● New loss of taste or smell | ● Congestion or runny nose | ● Difficulty breathing |

PARENT INVOLVEMENT

Dayspring Christian School recognizes that a student's learning begins at home, and that parental involvement is necessary for a student to achieve academic and spiritual success. As such, we welcome parents to be as involved as they are able in their child's education.

VISITOR POLICY

ALL visitors including parents, church personnel, and teaching staff on non-contracted days, must sign into the front office. No other doors or keys are permitted to be used if you are visiting the property as a visitor, for class parties, or field trips. Visitors must present photo identification, will be asked to sign in, wear visitor badges, and return badges upon leaving. Please follow these guidelines to ensure the safety of our students.

PARENT - TEACHER CONFERENCES

Communication between parents and teachers is vitally important to a child's success in school. Any parent who wishes to have a conference with a teacher or the administrator is encouraged to do so. The parent may call the school or contact the teacher directly for an appointment. The school will have two parent-teacher conference periods through the school year (one in the Fall and the other in the Spring) in which we request all available parents set up a time to meet with the teachers.

PARENT FACTS SIS ACCOUNT

All parents should have their own login at <https://www.renweb.com/>. This website allows parents to see exactly what their student's assignments are, what grades they have in their classes, monitor attendance, and communicate by email with teachers. We discourage parents from using their student's personal accounts because some communication between teachers and parents may need to be private. Further, having a parent account will allow you to see multiple students from the same screen in the event you have more than one child in school. To set up your Facts SIS account, please contact the school office. If you already have an account but have questions, feel free to contact us any time.

GRADING POLICIES

STUDENT EVALUATION PROCEDURES

Report cards will be issued every six weeks for all grade levels.

The rating system of scholastic achievement is as follows:

A+	100-97	B+	89-87	C+	79-77	D	69-60
A	96-94	B	86-84	C	76-74	F	59 & below

A- 93-90 B- 83-80 C- 73-70

If a student has an incomplete grade at the close of a six-week period, a grade of F will be entered in the grade book for that assignment.

SEMI-ANNUAL TESTING

Students in grades 3 through 10 will take standardized achievement tests in the Spring. These tests are given every other year. DCS does not use these tests to determine student grade placement. Students in grades 11 and 12 may register on their own and take the ACT or SAT in the Spring of their junior year or the Fall of their senior year. Most colleges require one of these tests for admission. National test dates are set up five times during the year.

HOMEWORK

At DCS we feel keeping homework to a minimum level in our elementary grades is imperative to honor family time. At the elementary level, families can expect to receive 15-20 minutes worth of homework up to twice a week. Homework is an important part of a secondary student's education. Homework helps establish organizational habits, study habits, time management, and college preparation. Secondary students can have up to one hour of homework each evening in addition to any work not completed in class.

LATE WORK

All teachers have their own late work and homework policies. Each student will be required to learn the policy for each class. Students with excessive missing assignments may, with administration approval, be assigned by a teacher to a non-

disciplinary morning program study hall or ISS (In-School Suspension) to assist them in catching up on their work.

FACTS SIS ONLINE GRADES

Through Facts SIS parents and students have 24/7 access to grades and assignments. Our teachers work diligently to keep the grades current, but grading and recording scores require some time. We ask parents to understand that the online system may be a few days to a week behind.

OTC GRADES

Students in grades 11 and 12 who attend Ozarks Technical Community College will have their grades from those classes sent home quarterly according to the OTC schedule instead of every six weeks. The OTC grades will be reflected on Dayspring Christian School transcripts, but will not be part of our regular grade cards. Each student enrolled in OTC will be required to attend anytime OTC is in session and adhere to the same dress code and discipline standards as DCS. Any incidents that occur could result in a dismissal of the program.

STUDENT AND FAMILY RESPONSIBILITIES

We consider attendance at Dayspring Christian School a privilege. Therefore, Christ-like behavior is the primary responsibility of each student. A student may be asked to leave our school if attitude, behavior, academic effort, or self-discipline fall short of our standard.

CODE OF CONDUCT

1. Honor to God
